IRCTC agent registration

Commercial railway ticket booking through an authorised agent ID. Compare Standard and Premium registration, understand renewals and agent booking restrictions before applying.

PAN application service

Agent onboarding and guidance for PAN applications. The current agent registration fee is shown below; confirm required documents and coupon charges with support.

AEPS and Mini ATM

Ask about banking-service availability, supported devices, KYC, charges and settlement terms for your location before buying equipment.

BBPS and money transfer

Bill payment and domestic money-transfer services for counters. Confirm supported billers, transaction limits and verification requirements.

FASTag, mobile and DTH recharge

Ask for the current account-specific service availability, stock terms and recharge margins. Do not rely on historical operator short codes.

Confirmed registration fees

Service	Fee
IRCTC Standard	INR 3,000 including GST
IRCTC Premium	INR 4,000 including GST
PAN / UTI PSA	INR 1,180

Before registration

Have your identity/address documents, PAN, photograph, mobile and email ready. Ask support which documents are required for the selected service. This guide is not a bank mandate, an official IRCTC application form or a promise of activation.

Keep credentials private

Do not share passwords or OTPs with a person. Do not send identity scans or payment-card details through a general website enquiry. Use the secure registration process confirmed by support.
